

Funding Application 2022-2023

Applications are now open! However, no funding decisions will be made until Friday, September 9th

Welcome to the common application for the Tsai CITY Student Exploration, Milestone, and Ecosystem Funds.

Please keep in mind:

1. Funding cannot be used to pay individuals for their time as a stipend, wage, to conduct research, or to pay for living expenses.
2. Your team must include at least one full-time Yale student who is enrolled in a degree-granting program at the university.
3. Funding is only available when the fall and spring semesters are in session.

Please answer the questions below to tell us a bit more about your idea and your team. Be mindful of the word count for each question.

For questions regarding the application please contact Matthew Gira, Director of Student Programming, at matthew.gira@yale.edu
